

HME and Adhesive Guide

PROVOX® HME and Adhesive Guide

Life

Provox Life Home HME

Home HME is designed to improve your lung health when you are taking it easy. This HME provides high humidification with comfortable breathing throughout the day.

REF#8311

Provox Life Go HME

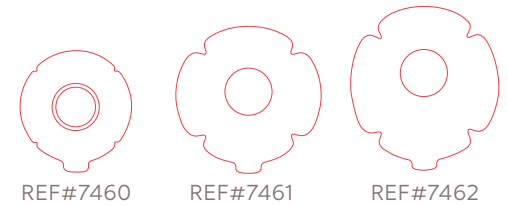

Go HME helps make it easier to breathe when you are out and about or engaged in your daily activities. This HME has a low profile and a smooth rounded look shape for a more discreet look when going out.

REF#8310

Provox Life Standard Adhesive

Standard is an adhesive for everyday use. It is soft, flexible and has a low-profile to provide a strong seal and secure fit around the stoma.

REF#7460

REF#7461

REF#7462

Provox Life Energy HME

Energy HME provides low breathing resistance when you are physically active. It provides good humidification and has a sporty look.

REF#8312

Provox Life Night HME

Night HME is designed to reduce coughing for more restful nights. This HME offers excellent humidification for improved lung health in a soft, comfortable design.

REF#8262

Provox Life Sensitive Adhesive

Sensitive is a gentle everyday adhesive for sensitive skin. It is a comfortable, gentle and low profile adhesive that forms a good seal and provides a secure fit.

REF#7463

REF#7464

REF#7466

Provox Life Protect HME

Protect HME not only heats and humidifies the air you breathe, it also filters bacteria, viruses, dust and pollen. An HME with comfortable breathing resistance designed to protect against airborne microorganisms.*

REF#8313

Provox Life FreeHands HME

Provox Life FreeHands HME is to be used with Provox FreeHands FlexiVoice™ offering both the freedom to speak hands-free and with finger occlusion. Provox® FreeHands FlexiVoice™ not included.

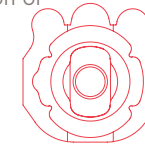

REF#7440

Provox Life Stability Adhesive

Stability is a firm, everyday adhesive with stabilizing bars that provide additional support for deep stomas –ideal for those who speak frequently with finger occlusion or speak hands-free.

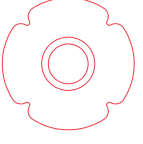

REF#8263

Provox Life Night Adhesive

Night Adhesive allows your skin to recover while you sleep. A skin-friendly, hydrogel adhesive that soothes and cools the skin. Night is compatible with all Provox Life HMEs.

REF#8261

* **Please note:** Since pathogens can enter and leave the human body in other ways (such as the mouth, nose, and eyes) Provox Life Protect HME can never guarantee complete protection. Provox Life Protect HME filtration capacity may vary depending on the size, shape and speed of airborne particles.
