

LARY'S SPEAKEASY CANCER TAKES VOICES WE GIVE HOPE

OUR MISSION:

Lary's Speakeasy is a 501(C)(3) non-profit organization, founded in 2016 by Lewis Trammell (Louie). Our mission is to help provide necessary supplies, education, support, and resources to laryngectomees and their Speech-Language Pathologists (SLPs), free of charge. We are a 100% volunteer organization.

How Do We Give Support?

Our "Lary's Speakeasy Throat Cancer Support Group" on Facebook has over 5,000 members and offers support around the clock, utilizing the highest level of privacy that Facebook offers. We are the largest laryngectomy Facebook group in the world and we encourage you to join. Laryngectomees, SLPs, and caregivers come together and provide their personal experience and expertise. We love to support the development of local, in-person support groups. At larysspeakeasy.org we have listings of both in-person and Zoom support groups. Through our partnership with Imerman Angels, we offer a free peer to peer mentoring program for patients, caregivers and others. We also offer a free AI generated Voice Banking & Cloning program through ElevenLabs.

What Kinds Of Supplies?

Supplies are available to those in need. We have provided: HME's, baseplates, boogie boards, skin care items, stoma covers, shower guards, neck straps, lary tubes, and cleaning supplies. We rely solely on donations for our supplies. larysspeakeasy.org/supplies.

How Can I Help?

1. Financial Support: Monetary donations help us to purchase and ship supplies, and to provide valuable programs to the laryngectomy community. We are an "all volunteer" organization.

2. Donate: We accept new or unopened laryngectomy supplies. These donations are provided free of charge to laryngectomees in need of help.
